The US Forest Service will be holding an open house on March 7, 2017 between 4:30 p.m. and 7:30 p.m. at Our Lady of the Snows in Alta, Utah. The purpose of the meeting is to provide information regarding the proposal to create a right-of-way for the construction of utilities on National Forest System lands (both under the end of SR 210 and Albion Basin Road (National Forest System Route (NFSR) 028), and to widen the existing Albion Basin road above the end of the SR 210 pavement for several hundred feet to improve access to the proposed parking structure serving the Patsey Marley Hill Property and Subdivision as well as all Albion Basin Cabin owners. The Forest Service will provide information on how to comment at the open house; written comments will be accepted during the meeting.

A second 30-day scoping comment period for the proposal begins with publication of this legal notice in the Salt Lake Tribune. The Uinta-Wasatch-Cache National Forest is requesting your comments on this proposal during this comment period. An initial comment period for this project occurred in October 2016 - comments received during this period have been recorded. Information about the proposal will be posted on the project-specific link at: <https://www.fs.usda.gov/project/project=49583>. Written, facsimile, hand-delivered, oral and electronic comments must be received or postmarked by the end of the 30-day period. The publication date of the legal notice is the exclusive means for calculating the comment period. Persons who wish to comment should not rely upon dates or information provided by any other source. Submit comments to: Salt Lake District Ranger, 6944 South 3000 East, Salt Lake City, UT 84121, (801) 733-2675 or by fax at (801) 733-2684.
